Be with us in Vilnius
Welcome!

Hi, Mr. Mayor. Just got your invite.

Hi! Glad to hear. Call me Remigijus.

Vilnius is where?

It’s the capital of Lithuania, an EU and NATO member with a fast and open market economy.

Right. I read that somewhere. Isn’t it pretty small, though?

Big enough to have lots to do. Small enough to give you time to do it!

But Eastern Europe?

Is it business-friendly?

#1 in Europe for ease of starting a business, according to World Bank.

Internet here is LIGHTNING fast.

Crossing the city takes minutes, not hours. We are FAST and OPEN to all kinds of business.

E.g., Uber’s startup here took less than a month.

Wow! So what’s life in Vilnius like?

Never boring! A UNESCO-listed Old Town full of restaurants, pubs, boutiques, and galleries; plenty of theatres, concerts, and sports... parks and lakes all nearby... even a ski-slope right in the city...

Snowboarding after work? Cool! What’s the weather like?

Let’s just say... it’s not a dry place.

But that means a comfortable climate, farm-fresh food, tons of green space, and good, clean water.

Hmmm. Fast and open, green and clean... sounds pretty good! Will check it out.

I hope you do! Talk to me and the Go Vilnius team if you have any questions.

Remigijus Šimašius,
Mayor of Vilnius

Speed of Vilnius

From City Centre to airport in 10 minutes.

Vilnius International Airport is so close to home, you might forget to change out of your pyjamas.

Old Town is a 10 minute walk from the business district.

It isn’t everywhere you can slip away from your desk for lunch in a UNESCO World Heritage Site. We do it all the time.
