Hot-Air Ballooning over Vilnius Old Town

Vilnius offers a truly memorable experience gliding over its charming Old Town in a hot air balloon – something most cities simply don't allow. Take your group to the skies, whether it's a small company or a bigger group of up to 100 people, and enjoy the wonders of quietly floating a kilometre above the city or drifting out over its breath-taking outskirts. It's definitely a bucket list adventure, and once you're back on the ground you'll take part in a special induction ceremony where you'll get a certificate and forever be a part of the local hot air ballooning crew.

Capture the Bohemian Vibe

The district of Užupis is Vilnius' self-proclaimed independent republic filled with artsy eccentrics and hip bohemian types. The once run-down neighbourhood is now thriving, and has evolved into one of Vilnius' must-see areas. Take an unconventional trip: stroll along the cobbled streets to experience the area's laid-back atmosphere from the inside – with a side of stories about how the republic started, and visits to some of the neighbourhood's lesser-known sites. Explore the district's boutiques and indulge in its most sought-after delicacies as you discover one of Vilnius' most popular cultural oddities. It's an activity that's certain to mix things up for any incentive programme.

Turn Sightseeing Into a Team Challenge

Take part in an adventurous team game that turns the city's Old Town into a playground. Tackle entertaining and original tasks - you'll each get an iPad and make your way around the city following a special route while solving riddles to unlock the next task. It's a whole new take on sightseeing, with stops designed specifically for tasting some local delights. Discover Vilnius in an unusual way, encourage teamwork, and make some great memories together! The game is a perfect end to a workshop or training day, since it's a combination of team-building, knowledge, and lots of fun.

Explore the City of Mercy

A significant part of Lithuania's history can be told in its churches, so it is no surprise that the country has a deep tradition as a pilgrimage destination. Explore the path of Mercy! You don't need to travel for miles elsewhere to see one of many copies of the iconic image of Divine Mercy; come and see the original painting right here in Vilnius. Delve into Vilnius' most holy places, including the painting of the Blessed Virgin Mary at the Gates of Dawn, the convent house where St. Faustina experienced mystical visions, the Monastery of the Sisters of Merciful Jesus, the Church of the Holy Spirit and many other religious sites.

Listen to Talking Statues

Discover 15 talking statues of prominent writers, personalities and historical figures adored by Lithuania. Scattered throughout the heart of Vilnius and animated by the voices of famous Lithuanian writers and performers, the statues have been given the gift of speech and come to life to interact with you via telephone call. Simply walk up to one of the talking statues, swipe your smartphone over the nearby QR code and voilà – you'll receive a call from the statue! It may be legendary American musician Frank Zappa...or the world-renowned 20th century French writer Romain Gary...or Gediminas, the medieval Grand Duke of Lithuania... calling you to share an intriguing story!

Appreciate the Contemporary Brushstrokes of Vilnius

The city is filled with modern culture. Contemporary art museums and modern galleries are scattered throughout Vilnius. You don't even need to go indoors to savour the city's artistic atmosphere. Vilnius will astonish you with its creative street art; walk around the open art gallery to feel the pulse of urban culture. Bring your team to the brand new Modern Art Museum. Get involved in a visual thinking session, make a connection with the art and get your curiosity piqued. Share what you see with others and let the mediators guide you to create a storytelling experience. You will become more outspoken about culture and more mindful about cultural differences.

TRADITION & HISTORY

An Evening in Traditional Lithuanian Style

Lithuania’s extraordinarily rich and complex history dates back a thousand years, during which time its national heritage has been imbued with influences from countless other cultures from East to West. Take part in a traditional Lithuanian evening, sample a range of national dishes and drinks, prepare traditional food, learn more about classic Lithuanian cuisine, get to know folk customs and traditions and explore scenes from old Lithuania. The celebratory programme continues with singing, dancing and other delights.

TRADITION & HISTORY

Bake Your Own Tree Cake

Bake and taste your very own šakotis, a traditional 15th century cake. It takes true finesse to bake this so-called tree cake with distinct branch-like shapes. Roll up your sleeves and pay attention while the master bakers uncover the secrets of šakotis. Pour a layer of liquid dough onto a rotating spit over the open fire. Once done, your efforts will be rewarded with a heavenly taste while the cake is still warm. Choose an authentic location or ask the bakers to come to your event with their mobile oven and make it a source of hands-on entertainment for an entire evening.

Feel the Medieval Spirit

Looking for some entertainment with a historical twist, or would you like to take part in a truly memorable event? Step back in time to the Middle Ages and join a Medieval Feast. Watch knights fight in a gruesome battle, learn how to use a sword or to shoot a bow, solve ancient puzzles, and play medieval games that will definitely boost team spirit. Dance in a ball and enjoy the festive authentic food accompanied by mead, a traditional Lithuanian drink. The grand finale is a spectacular fire show. Take the feast anywhere you want - to your selected venue or outdoors.

Get Crafty!

Participate in a range of workshops organised by some of the country's leading professional artists and craftspeople and immerse yourself in diverse cultures. Learn the history and techniques of different crafts, and get a hands-on experience in the art of stained glass, leather craft, pottery, weaving, brass jewellery, candle making, bookbinding and other time-honoured traditions. Craft your own souvenir to bring home as a memory of your time in Vilnius.

**ACTION &
ADVENTURE**

**Rolling
Around Vilnius**

Feel the wind in your hair as you zip around Vilnius on wheels. Choose the mode of transport that suits you best: scooters, segways, and roller skates are ready to take you on a sightseeing adventure. Take it as fast or slow as you wish. Explore the lush parks and nature, or ride around the Old Town and marvel at its fascinating historic sights. Take a guided tour, enjoy a ride with your team, or be your own guide and discover places off the usual tourist radar.

ACTION & ADVENTURE

**Team Up
for
Curling**

You won't get cold on ice. Curling is a team sport that will challenge you and your team members to learn the basics of throwing, sweeping and the skipping strategy. This team sport is all about leadership, communication, trust, problem solving and decision-making. You don't need any previous curling experience to play and enjoy the game. With some help and encouragement from the professional instructors, curling will provide your group with a novel team-building experience. Practice your strategy and teamwork by choosing the ideal path and placement of the stone for each situation. This is what gives curling its nickname of 'chess on ice'.

Row Your Boat

Take in the sights of Vilnius from a whole other perspective while kayaking. Your water adventure will begin along the narrow Vilnelė River where trees and big stones might try to flip your kayak over, so you are definitely in for some extreme experiences. Delight in views of the rapidly-changing forests and parks merging with the city's new districts and the Old Town, get a glimpse of some wildlife and take in some of Vilnius' architectural wonders from a different angle. Light the way with a headlamp while taking a night kayaking tour on the Neris River. Kayaking is a great teambuilding activity, especially since you don't need any special skills or tons of experience to have a great time together.

Make a Bigger Splash!

Try water parks and wake-boarding sites that are just a short drive from Vilnius Old Town. Come rain or shine, upgrade your typical trampoline experience while conquering the water obstacle course for all ages and skills: boom, Tarzan rope swing, trampolines, slides, and a floating island await. Looking for more thrills and extreme action? Choose wake-boarding. No matter if you are a beginner or a water sport enthusiast, a fun experience is guaranteed. Don't worry about the gear, you can get a wetsuit and everything else you need on the spot.

Release Your Inner Viking

Lithuania proudly shares a strong Viking tradition with our Scandinavian neighbours; Curonian Vikings living in Lithuania were fierce warriors feared by other tribes. Sail the Neris River on an 11th century replica Viking ship and feel like a Viking of old days. It's a true adventure for those interested in Northern European history and unique experiences. The 12-metre long ship can take your group of up to 16 people on a historic tour with a deep-inland Viking ship programme. Listen to ancient stories and medieval songs, help row the ship, and taste the food of archaic tribes while admiring the lush forests, meadowlands and habitats home to diverse wildlife.

Go With the Flow

There are more ways than one to explore Vilnius from the perspective of its rivers. Jump into a gondola and enjoy the gentle swaying, refreshing breeze, soothing natural sceneries, and historic architecture while you float down the Neris River. Love travelling in style? A catamaran promises just that, and will take your team up and down the river on a pleasant ride. For an exceptional start to the day or a great evening activity try your hand at stand-up paddleboarding; it's all about keeping your balance, or getting wet if you don't. Any season is great for paddleboarding, as long as there's no ice.

www.govilnius.lt

Alpine Adventures on a Mighty Hill

No matter the season, Liepkalnis hill has an adventure for you. It's all about embracing winter in the colder months, which you can do by going down the hill on skis or a snowboard, even if it's your first time. In the warmer months hop on the 350-metre toboggan track, speed down a tubing slide, or make like Tarzan in the multi-level rope-climbing park. Tired of moving your own body? Well, that's what the off-road mountain scooters are for. Whatever activity you choose, you'll have even more fun as a group, especially if things get a little competitive.

Conquer a Rope Adventure

Sounds bold! Feels strong! Looks ultimate! It's the rope adventure. Platforms, zip wires, rope bridges, Tarzan swings between trees, high walls, rope walks, balance poles and all kinds of vertical climbs – they're all ready for you in the city's exciting adventure parks. Conquer the obstacles with your team and find out which one of you is the strongest and boldest. Ready for an even bigger challenge? Try the 400-metre long zip-line course over the river or the most thrilling attraction – the Elephant Jump – a 16-metre free fall.

Become a Pilot for a Day

Take full control of the cockpit of the most popular aircraft models, the Boeing 737 or Airbus A320, and experience the thrill of flying. Full motion flight simulators designed to train professional pilots will give you the most exciting experience. Choose the departure and destination airports, weather conditions, time of day and let's take off! Feeling adventurous? Try to control and safely land the aircraft with some major turbulence, engine failure or other extreme flight conditions. Try out the prestigious pilot profession for a day with one of the largest independent aviation training centres in Europe.

Enjoy More Activities Indoors

If you like solving mysteries, get your friends together and try one of Vilnius' many escape rooms. They're all about challenging your imagination, logic and problem-solving skills. You have 60 minutes; think you can escape? If you're up for even more action, bring your team to a real 700 m² labyrinth and take your escape skills to the next level. Looking for something a bit more physical? Try your hand at rock climbing or bouldering; there's a wide variety of climbing routes available for all skill levels. On the other hand, if you want all the adventure without breaking a sweat, then a virtual reality experience might be in order. Swim with whales in the ocean, take a ride on a rollercoaster, fly a spaceship, fight off a bunch of zombies and much more.

Next-Level Studio Experience

Record a song of your choice or create a team anthem in a modern studio. Have a blast singing different lines and listening to your team members trying to impersonate an opera singer. Want your voice to have a bigger impact? Dub a superhero and create a personalised movie with your team's voices. Who are you going to be? For an even bigger challenge, try making your own movie. Choose your titles: director, cameraperson, actors; and recreate a scene from movies like Star Wars, Jurassic Park, and Harry Potter and the Deathly Hallows, or film a script of your own. Creating and watching a movie is a great team building activity. Laughter, fun, and long lasting memories guaranteed.

Extreme Off-Road Challenge

You're in for an adrenalin rush and endless thrills on an exciting four-wheeler or buggy tour. Summer or winter, this off-road adventure awaits you right by Vilnius. Choose from an orienteering game by driving off the beaten path to solve riddles and search for hidden locations using a GPS, or discover Lithuanian nature in true 4x4 style by scaling steep sand dunes and riding through water, mud and the wildest forests. Get your team ready - two people per buggy or four per four-wheeler. Gather around a fire grill after the drive, enjoy an outdoor barbecue and share your best moments. Are you up for the challenge?

Operate an Excavator

If you've ever wanted to drive an excavator or work with a crane, loader or a bulldozer that weighs 10 tonnes or more, your dream can come true. Learn to lift heavy objects, navigate obstacles, or dig a hole with a range of heavy equipment at the adventure polygon. Once you acquire some practical skills, head straight to the obstacle course to challenge your colleagues or friends, who are also behind the wheels of heavy-duty machinery. If you're up for something more extreme and want to experience the full power of heavy equipment, try to crush a car with an excavator. It's sure to help release a bit of daily stress.

Travel Back to the Soviet Era

It's been over 25 years since the collapse of the Soviet Union, but you can still get a taste of what life was like back then at the 1984 survival camp challenge. Dive into a world full of tension and social peculiarities in a bunker five metres underground. You'll be taken through a maze to be interrogated in a KGB office, learn the anthem of the USSR and get used to wearing a gas mask. Before you finally escape you'll be treated to a Soviet dinner. If you're more into war history and experiences, test your tank-driving skills while trying to safely navigate through a minefield with your team.

Tag With a Bow and Arrow

Try your hand at a fun and unique sport Archery Tag that combines elements of dodge ball with the timeless skills of archery. Get your team ready; it's a unique way for people of all ages to enjoy archery. Take aim at each other with foam-tipped arrows to score points or eliminate opposing team members. The game is a great way to practice teamwork and concentration. Play Archery Tag in a special arena or any other place of your choice. The Archery Tag team will bring all the necessary equipment, teach you to fire a bow correctly, monitor the game and model it according to your needs and gaming style.

Shoot Like Rambo

Feel like a true movie star gripping a smoking barrel at one of Vilnius' professional shooting ranges. Whether you're after the sheer power of an AK-47, or want to see how accurate the army's new bullpup rifle is, here's your chance to be Rambo in disguise. Try different revolvers, shotguns and sniper rifles, and practice your accuracy on moving or stable targets. If real guns aren't your thing, you can still get a workout and hone your shooting skills as part of a team; paintball, airsoft, or laser tag games are perfect choice. The games are usually organised in old abandoned factories or special areas in the forests around Vilnius.

GREEN & SUSTAINABLE

Your Nature Getaway in the City

Often called a city in the forest, Vilnius makes it easy to escape the urban bustle and become immersed in nature. A dense network of hiking trails through the city's parks and outskirts winds alongside the most important natural and cultural sites. Start your hiking trip with an experienced park guide through the protected landscapes. Discover unspoiled Lithuanian nature and learn the secrets of the past centuries in the form of local legends and folklore stories. Picturesque sceneries, unique flora and fauna, impressive hill forts, burial mounds, spectacular outcrops, sacred hills, and stones revealing the cultural heritage of Europe's last pagan country provide the perfect setting to unwind and focus on individual and group wellness.

Hike Across a Swamp

If you're looking for an adrenaline-boosting activity like no other, try swamp hiking. Take a short 40-kilometre tip from Vilnius to trek through a natural swamp with a variety of paths and small islands that feel like a rainforest. The two-hour hiking tour guarantees an extreme experience, unforgettable memories and natural SPA facilities. Are you up for the challenge? Try to overcome the three-hour obstacle course, which will require some serious teamwork to complete. Rain or shine, the swamp awaits you.

Get Steamy at a Traditional Bath House

Traditional Lithuanian baths are a great source of strength and health, and a perfect way to relax and recharge after a busy day. In fact, legend has it that time spent in a bathhouse does not count towards your lifespan! Lithuanian baths combine nature's elements – fire, water, stone and air – with bath whisks made from tree branches and herbs. Learn about this longstanding tradition by immersing yourself in hot steam, get lashed with a whisk by an experienced bath master, and finally wash yourself with cool water. If you're daring enough, take advantage of the complete energising experience by jumping into a frozen lake after the bath.

Cycle Around Vilnius

Jump on a saddle for a two-wheeled adventure tour of Vilnius. Explore the charming UNESCO-listed Old Town and get to know the historic and cultural heritage of the city. Would you like to explore the fascinating natural surroundings of Vilnius? Get away from the tourist trail for some scenic routes at the picturesque regional parks within the city. Enjoy the freedom to stop whenever you want to explore hills, forests, and wildlife while enjoying the fresh air. Taking a bike tour around Vilnius and sharing an experience is a great group activity.

Get Your Team on a Volleyball Court

Even though Vilnius is far away from the Baltic Sea, beach activities are still an option. Sign your team up for a volleyball competition at one of the courts in the heart of the city. Professional beach volleyball coaches will facilitate many different team-building exercises for a competitive and fun atmosphere that encourages you to learn new skills. It is a perfect choice to energise, motivate and unite your team in a fun, social and active way.

Ride Out on the Equestrian Trails

Escape the city bustle and opt for the soothing calmness of horses on a visit to one of the equestrian centres around Vilnius. The ranchers will teach you all about Lithuania's different horse breeds, horse psychology, and their behaviour. Get on a horse and take an orienteering trip, or if you're more experienced embark on a relaxing tour in nature and swim in the river with the horses. The rides are just as exciting during the winter when the forests and meadows are covered in snow. If riding a horse is not the type of adventure you're looking for, switch to a winter sleigh ride.

Ultimate Dogsledding Adventure

If you're looking to make the most of Lithuania's exceptional natural settings and are up for a real adventure, there's a group of fun and energetic huskies that are eager to make it happen. Dogsledding is a great and novel way to unwind with friends and colleagues while taking in the fresh air. Let these amazing dogs take you to another world where you'll enjoy the still Lithuanian winter and its picturesque landscapes. Learn all about these dogs, their character, and how to get them to pull your sled, which you'll ride in pairs along with an instructor. In summer a special carriage with wheels is used instead of sleds so you can still enjoy the ride when there's no snow.
